By signing above, I/we (the "Taxpayers"), hereby authorize Elm Street Tax LLC to file with the Internal Revenue Service ("IRS"), Form 4868-Application for Automatic Extension of Time to File U.S. Individual Income Tax Return and/or Massachusetts Department of Revenue ("MDOR"), Form M-4868-Massachusetts Extension Payment Voucher.

Taxpayers understand, acknowledge and agree that:

1. Form 4868 must be filed with the IRS by April 15, 2025 and Form M-4868 must be filed with MDOR by April 15, 2025 (Note: **We require your written authorization to file Form 4868 and M-4868 no later than March 1, 2025.**);
2. The automatic extension is for a period of six (6) months and that the Taxpayers Federal 2024 and Massachusetts 2024 income tax returns will be due on or before October 15, 2025;
3. Taxpayers are responsible for computing and paying the amount of estimated 2024 Federal or Massachusetts tax liability and have provided Elm Street Tax LLC the information necessary and required to prepare Form 4868 and M-4868;
4. The filing of Form 4868 and/or Form M-4868 **does not extend the time to pay taxes.** If Taxpayers do not pay the full amount of the tax liability ultimately determined to be due by the estimated payment deadline (January 15, 2025), Taxpayers will owe the IRS and/or MDOR the full amount of the tax ultimately determined to be due, plus any applicable interest on any tax not paid by the regular due date and/or applicable late payment and/or late filing penalties as assessed by the IRS or MDOR; and
5. Elm Street Tax LLC is not responsible to Taxpayers, the IRS or MDOR for any additional tax, any interest due on any tax not paid by the regular due date, or any late payment penalties and/or late filing penalties assessed by the IRS and/or MDOR. Any assessment of additional taxes, interest, late payment penalties and/or late filing penalties by the IRS and/or MDOR is the sole responsibility of the Taxpayers.
6. Taxpayers acknowledge that in order for Elm Street Tax LLC to timely file an extended Federal and Massachusetts income tax return on behalf of Taxpayers, Taxpayers **must submit to Elm Street Tax LLC all required information no later than August 1, 2025.**

Massachusetts Note: Taxpayers further understand, acknowledge and agree that MDOR will, in accordance with TIR 16-10, grant an automatic filing extension of six (6) months to individuals to file an individual Massachusetts income tax return provided that at least eighty percent (80%) of the tax ultimately determined to be due on April 15, 2025 was properly submitted to MDOR. The extension will be considered void, however, if eighty percent (80%) of the total tax liability is not paid on or before the original due date of the return (April 15, 2025), and interest and penalties for late filing and late payment will apply.
